

# WORSHIP TEAM

## ROLES & RESPONSIBILITIES:

- Confirm Planning Center by the Wednesday before you are scheduled to serve. If you are unable to serve on your assigned date, please contact Barry Huver or EJ Santiago as soon as possible.
- **Green Room is NOT a VIP Lounge.**  
It will be used for debriefing after service, where you pick up and return your lanyards, storage of bags and cases (no bags on pews), coffee and donuts.
- After rehearsal, ALL MEMBERS of the Worship Team are to wear a lanyard and greet people in the lobby until its time for service to begin.
- Confidence Monitor will be on the floor in the front row - no longer in the back (its too far) - however we cannot be looking down the whole time.

- **Neutral Wardrobe:** no bright colors, patterns, nothing distracting, no shorts, etc as services will be streamed live.
